

Hello nursery children!

Here are some activities for you to complete throughout the week with the help of your grown ups at home. They are based on one of my favourite stories – ‘The Tiger Who Came to Tea’ by Judith Kerr. There are two separate documents for Literacy and Mathematical Development for you to have a go at as well. I hope you enjoy the activities. Please ask your grown ups to email any photos / work to me:

nursery@ashgrove.cheshire.sch.uk or Tweet them: [@ashgrovenursery](https://twitter.com/ashgrovenursery)

I can't wait to see how you all get on!

Lots of love from

Mrs Wolvin

Watch the animated version of the story ‘The Tiger Who Came to Tea’ using the link below.

<https://www.channel4.com/programmes/the-tiger-who-came-to-tea>

UW, CL

You could make the tiger come to your house! Search for ‘tiger’ in Google and then go to ‘View in 3D’. It’s amazing!

CLL, PSED

Discuss the story together.

Can you remember some of the things the tiger ate / drank?

Have you had a visitor at your house? Who was it?
What did you do to get ready for your visitor coming?
Did you have any special food?

How do you think Sophie’s Mummy felt when she answered the door to the tiger?

EAD, PD

Can you make a tiger using an empty toilet roll tube? You can decorate your tiger with a felt tip pen to give him / her some stripes.

MD, CL, UW, PD

When the tiger came to Sophie's house, he drank all the water from the tap! That's a lot of water! See if you can find out how many cups of water it takes to fill a jug. Count each one as you pour it in. You can try cups and jugs of different sizes to see if that makes a difference.

You will need a washing up bowl or a bucket of water, some cups / beakers and jugs / pans. This is probably best done outside but you can work in the sink if a grown up is supervising.

PSED, MD, L, PD

Have a tea party with your family. Decide before hand what you are going to eat and drink so that you can write a shopping list together.

How many plates do you need?

How many cups do you need?

Where are we going to have the tea party?

What will we do if the tiger comes to visit?

Do any of the foods begin with 't'?

L, UW, PD, MD, PSED

Make some cupcakes for a tea party! I have used this recipe and it works a treat!

<https://rainydaymum.co.uk/basic-chocolate-cupcake-recipe/>

I hope the tiger doesn't come and eat all your food at your tea party!

Maybe you should get some tiger food in case he does!

Please tweet any photos you take this week to @ashgrovenursery or email them to nursery@ashgrove.cheshire.sch.uk.

I'd love to see them!

Here are some links to some music and movement websites we use at nursery:

<https://www.jumpstartjonny.co.uk/home>

Show your grown ups your moves!
