

Hello nursery children!

Thank you so much to everyone who shared work with me last week. I really enjoyed seeing what you had all been up to. Nursery is re-opening on Tuesday this week so I look forward to seeing you in person. For those of you who are remaining at home, here are some activities for you to do. We will be doing the same activities in class so let me know how you get on. Please ask your grown ups to email any photos / work to me: nursery@ashgrove.cheshire.sch.uk or Tweet them: [@ashgrovenursery](https://twitter.com/ashgrovenursery)

I look forward to hearing from you!

Lots of love from

Mrs Wolvin

Story Time L, CL

Watch the story 'Yucky Worms' being read using the link below.

<https://www.youtube.com/watch?v=MV3A864z9W0>

Story Chat CL, L, PSED, UW

Discuss the story together.

What did you like / not like about the book? Why?

Who dug up the worm?

What did the boy want to do with the worm?

What did you learn about worms?

Exploring Sounds CL, EAD, UW, PD

We have been listening for different sounds we can hear. This week, we are going to explore different sounds. Grab yourself a wooden spoon or a stick and find out what sounds you can make when you play it on different surfaces.

How does it sound on a pan? A box? A wall? A fence? Which sounds do you like best?

Two or Not Two? MD, CL, L, PD

This week, we are thinking about things that are two and things that are not two. Have a look at these objects and decide whether they are two or not two. Can you say why you think that?

Going on a Worm Hunt L, PD, UW, MD

Can you find some worms outside? Go digging in the mud to see if you can find any. Keep a tally of how many worms you find.

Minibeast	Draw a tick each time you see one	Total
 Worm		

Worms don't have ears but they sense vibrations. Make some sounds like rain falling to encourage the worms to come out.

There's a Worm at the Bottom of the Garden EAD, CL, PD

Join Mr Tumble to sing this song. Can you sing and sign along?

Make a Worm Sock Puppet EAD, PD

Have a go at making a worm using an old sock and some elastic bands. There's a video on this website that shows you what to do.

<https://onelittleproject.com/no-sew-sock-worms/>

Have fun!
