

Hello nursery children!

I hope you had fun with last week's activities. The focus story for this week is called 'The Very Lazy Ladybird' and is written by Isobel Finn and Jack Tickle. The ladybird in the story has never learned how to fly and keeps hopping on to different animals to find a place to sleep. It's very funny! Please ask your grown ups to email any photos / work to me: nursery@ashgrove.cheshire.sch.uk or Tweet them: [@ashgrovenursery](https://twitter.com/ashgrovenursery)

I look forward to hearing from you!

Lots of love from

Mrs Wolvin

Stone Ladybirds EAD, CL, MD, PD

Have a go at making your own stone ladybird. Here's a video to show you what to do.

<https://www.youtube.com/watch?v=qZtjdUzJHqY>

You will need:

- A large, oval shaped stone
- Red, black and white paint
- A paintbrush.

How many spots will your ladybird have?

You can use your stone ladybird to retell the story of 'The Very Lazy Ladybird'.

Story Discussion CLL, L, PSED, UW

Before reading the story, look at the picture on the front cover. What do you think might happen?

Discuss the story together.

Can you tell me what happened in the story?

Why do you think that the ladybird hadn't learned how to fly?

Now that the ladybird can fly, where do you think he will go?

Ladybird Biscuits PSED, CL, L, PD, MD

Don't these ladybird biscuits look delicious? You can make your own at home. You can bake your own biscuits (recipe link below).

<https://www.bbcgoodfood.com/recipes/easiest-ever-biscuits>

Or, you can decorate a packet of ready made biscuits (Digestives work really well).

You will need:

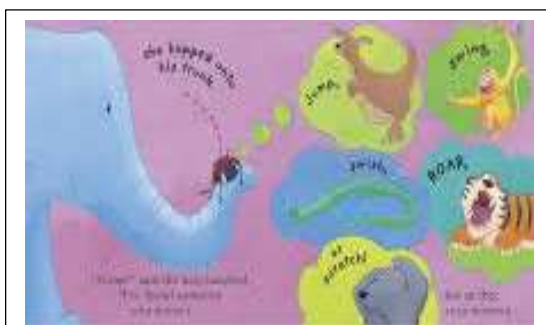

- Some icing sugar mixed with red food colouring
- Small chocolate buttons
- A black writing icing tube or black edible laces
- Some sugar balls (for eyes).

Think about how you want your ladybirds to look. How many chocolate spots will fit on each side?
