

Hello nursery children!

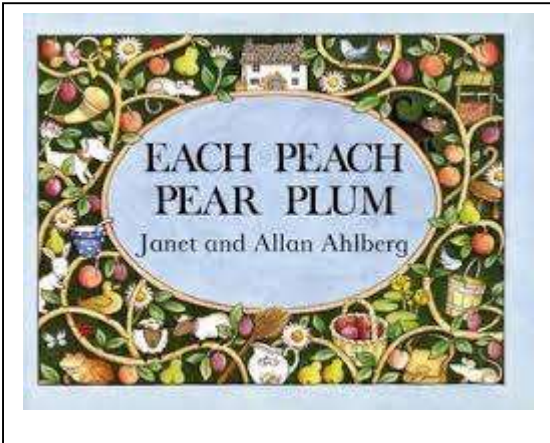

Thank you for all your hard work last week. It was wonderful to see some photos of you doing the activities. Did you watch the video of me reading the story? It's on the Ash Grove Academy YouTube channel if you missed it. This week's story is 'Each Peach Pear Plum' by Janet and Allan Ahlberg. I remember reading this story when I was at nursery myself so it's been around for a long time – an oldie, but a goodie! Please ask your grown ups to email any photos / work to me:

nursery@ashgrove.cheshire.sch.uk or Tweet them: [@ashgrovenursery](https://twitter.com/ashgrovenursery)

I look forward to hearing from you!

Lots of love from

Discuss the story together.

Who did you see in the story? Have you heard of all the characters before? Where are they from?

What do you notice about the words 'each' and 'peach'? Listen as your grown up reads them. What about 'plum' and 'Thumb'? Or 'cupboard' and 'Hubbard'? Talk about the rhyming words and how they sound similar.

Take turns to play 'I spy' around your house. You could use things beginning with the letters we've learned (s, a & t) or what things sound like (make the noise the object makes or say a rhyming word).

Get creative with your fruit! Can you make a face? An animal? A picture of a vehicle?

Share pictures of your creations – I'd love to see them!

Set up a role play market stall selling fruit. Everything can cost 1p.

Take turns to be the shopkeeper / customer.

Write shopping lists and receipts to use in your play. You could also write some labels and price tags for the fruit.

Have fun acting out different shopping scenarios together.

Make a fruit salad by combining some fruits with some orange juice.

How many different fruits do you need?

Count them out.

Which fruits do you like / not like?

Have you got any fruits beginning with 'p'?

Use a child friendly knife (and close supervision!) to chop the fruits – it's great for developing those fine motor skills!
