

## Phonics

Click on the link below which will take you to Mr Mc's phonics lesson. It is a bit lengthy so you don't need to watch it all in one go. It is a good idea to watch the first part of the lesson at least three times during the week as it recaps all the phonemes we have learnt so far. Towards the end of the lesson Mr Mc introduces the digraph 'ar'.

There is a link on the learning page which will take you to a follow up activity linked to the ar digraph.

Don't forget to look out for this phoneme throughout the week in any of your books at home.
