

WB 20.4.20

Hello Year 3 ☺

I have written down some tasks for SPAG (Spelling, Punctuation and Grammar), for literacy and for numeracy that you can do over the course of the week. Please see each relevant document for details and resources.

Please also try to do 15 minutes of reading for pleasure each day. This could be reading a comic, a magazine or a book (fiction or nonfiction), and it could be reading to someone, with someone or by yourself.

You also have a science activity and an art activity for this week. See below for details.

Additional activities to dip into, should you choose to, are:

PE - Joe Wicks link

and look at Ash Grove Academy YouTube channel. Mrs Rourke's son has made some PE videos too https://www.youtube.com/watch?v=ZQhY_r7LnAU

You can also do Cosmic Kids Yoga on YouTube.

Spelling Shed: - I will set new spellings each week.

Listen to stories on the Ash Grove Academy YouTube channel.

Here are the links to our favourite brain break songs ☺

Missing you all; please Tweet me with any work, questions or smiles
@ashgroveyear3

Look forward to hearing from you.

Science- Flowering plants

Activity 1:

Using the pictures to help you, can you draw a picture of a flower using all of the parts shown? Label the parts that you know.

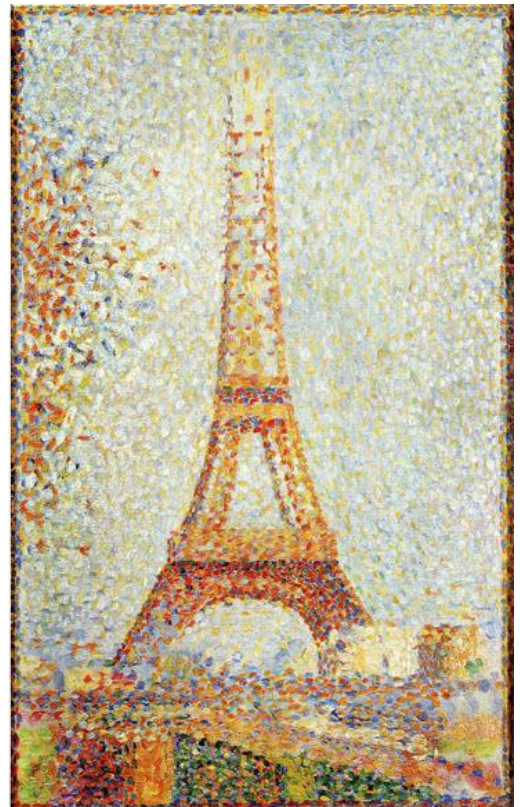

Activity 2:

Use the PowerPoint to help you to present the lifecycle of a flowering plant. You can choose how you do this, you could do a list, pictures, leaflet, be as creative as you like.

Art – Paint, pointillism – Famous artist, Georges Seurat

Activity 1

Look at Georges Seurat's work on the sheet below and discuss what you like, don't like about the work. You can then make a list of the key techniques that you think he uses, the way we have done with our other artists, eg, bright colours, repeated patterns, portraits etc. Does it remind you of any other artist's work? If so, why? You can make notes of your thoughts about his work and choose which piece of art you like best and why?

Activity 2

Use Google to find out some facts about Georges Seurat.

Try and find 3 facts about him as a person.

Try and find 3 facts about his artwork.

List any other interesting facts you find during your research.
