

Maths :- We will be looking at the 3 times tables.

Look at PowerPoint 1

Here are the answers to this week's maths task, please email me if you have any questions. Year3@ashgrove.cheshire.sch.uk

Activity sheet 1:

You can write your answers in your books or on paper. Just answer the questions that you feel confident with. I will send the answers out next week for you to check. Tweet me any questions and I will do what I can to help.

Question 1: SEE LAST SLIDE OF THE POWERPOINT

Question 2:

Mrs Hastings has planted some flowers in the garden. What two multiplications could she write down to show her total number of flowers?

There are 5 plant pots with 3 flowers in them. The calculation would be.

$$\underline{\quad 5 \times 3 = 15 \quad}$$

There are 3 flowers in 5 plant pots. The calculation would be.

$$\underline{\quad 3 \times 5 = 15 \quad}$$

Question 3:

I'm thinking of a number.
One of my factors is 3.
I am less than 15.

What number could I be? Write all the possibilities.

3, 6, 9, 12, any number that is in the 3 times table that is less than 15.

Activity sheet 2:

Question 1:

Copy and complete the statements into your book.

There are plates.

Each plate has cakes.

There are equal groups of

There are 4 plates.

Each plate has 3 cakes.

There are 4 equal groups of 3.

Question 2:

Number the statements 1-4 and the representations A-D and then you can record in your books without needing to print anything.

3 equal
groups of 4

3 equal
groups of 3

4 equal
groups of 3

4 equal
groups of 4

- 1 **B**
- 2 **C**
- 3 **D**
- 4 **A**

Question 3:

Write two multiplication sentences for this array:

$$\begin{array}{|c|} \hline 3 \\ \hline \end{array} \times \begin{array}{|c|} \hline 5 \\ \hline \end{array} = \begin{array}{|c|} \hline 15 \\ \hline \end{array}$$
$$\begin{array}{|c|} \hline 5 \\ \hline \end{array} \times \begin{array}{|c|} \hline 3 \\ \hline \end{array} = \begin{array}{|c|} \hline 15 \\ \hline \end{array}$$

Question 4:

Copy and complete the number line.

Additional maths activities if you would like to do more: -

Create a poster with 3 times table.
