

Class 4 Art

Session 2

William Morris

In the last session, we learnt that William Morris is very famous for his wallpaper designs. He created some beautiful designs, the likes of which had never been used before. In fact, wallpaper before his day was quite plain.

William Morris created designs of floral patterns (patterns inspired by flowers and plants) which were repeated many times by block printing.

William Morris also created these beautiful watercolour pieces.

What do you notice about the colours used in each watercolour?

Why do you think the colours are different?

Night Angel Holding a Waning Moon
William Morris c. 1862 - 1864

Day: Angel Holding a Sun
William Morris c. 1862 - 1864

Activity:

Design your own angel.

Think about what your angel will hold – what is special to you?

What colours will you use?

What repeating pattern design will you use?
