Character description

Mole is a wise character who loves to eat cake! He has a great sense of humour and offers great advice to his friends. He would be a wonderful friend to have!

Your turn to write a book review

What have you enjoyed reading recently?

Write your own book review. You don't have to answer the same questions as me, this is just an example of what you could write.

It would be nice to know what the text is about, why you enjoyed it so much and if you would recommend it.

I look forward to reading your reviews and sharing some of them on Twitter!
