

Activity 1- **PLAN** the ending

Now we have looked at the pictures from the beginning and middle of Rainstorm your task this week is to write your own ending using ideas from last week.

Recap pictures from the past few weeks discuss the beginning and middle.

Beginning - Boy living in a big house, bored with no one to play with.

Middle- Boy finds a key and a chest, inside the chest was a ladder.

Ending- The ladder took the boy to..... (use idea from last week)

What will happen next? Any adventures/new friendships?

Use the planning sheet to draw and add words you can start from the beginning and plan to the end.

Activity 2

Use your plan to help you write the ending to the story, as an extra challenge you may want to try and write the whole story. Remember to think about how you will start e.g A long time ago, once long ago, one sunny day...

Remember your high fives:

- Capital letters
- Full stops
- Finger spaces
- Use phonics
- Check it makes sense

Have you used adjectives to make your sentences interesting?
