

Activity 1

Look at the pictures of the next part of the story. What has happened?

Can you think of some questions you would like to find out?  
e.g. Where did the key come from? What did it open? Was it a magic key? Will the boy find what the key will open?

Here are my three sentences about the pictures, can you spot any mistakes I have made? (Remember to check my ascenders and descenders)

Copy out each sentence correcting my mistakes and as a challenge can you make them better by adding adjectives?

the boy found a key under  
the hcair.

The boi tried to open a  
dox.

The doy tried to open a  
CuPboard.

## Activity 2

Look at the boy's face? How does he feel? Does the key open up the chest? What could be inside?

Write a sentence about what could be inside the chest and where it has come from, remember to add adjectives to describe in detail.

I think ..... is inside the chest.

I think the chest.... (came from, was left by, has been in the...)

Extra activities-

Design or make your own treasure chest/box, what would be inside?

Draw your own special key, what would it open?
