Phonics – week 11

Click on the link below which will take you to Mr Mc's next phonics lesson

As usual, it is a good idea to watch the first part of the lesson at least three times during the week as it recaps all the phonemes we have learnt so far. This week Mr Mc introduces the digraph **ng**.

Once you have watched the video have a go at the follow up activity listed under this week's learning. There is no need to print anything off – just copy the words, or if you want to be a super writer you could copy the sentences, into the exercise book that we gave you.

Don't forget to look out for this phoneme throughout the week in any of your books at home.

If you want to practise your phonics another good website to look at is:

Have fun and let us know how you have been getting on.
