## History

### Activity 1

Think back to when we were looking at Alan Turing we discussed the meaning of an inventor and engineer.  
Can you remember what an engineer is?

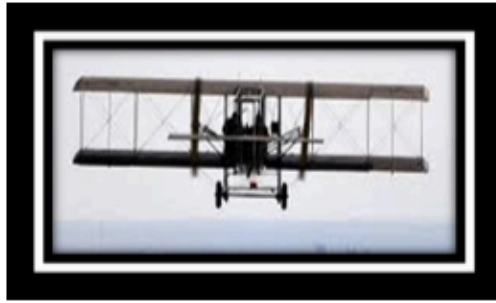

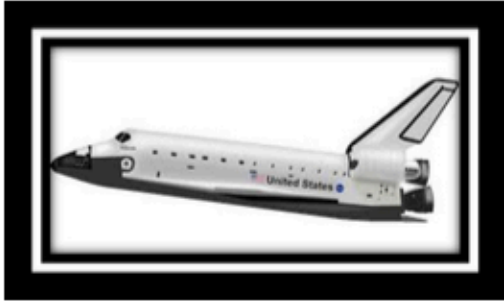

This term in history we are going to look at the history of flight.

Have you ever seen an aeroplane? Have you ever travelled on an aeroplane? What was it like? Where did you sit? Where did you put your suitcases etc...

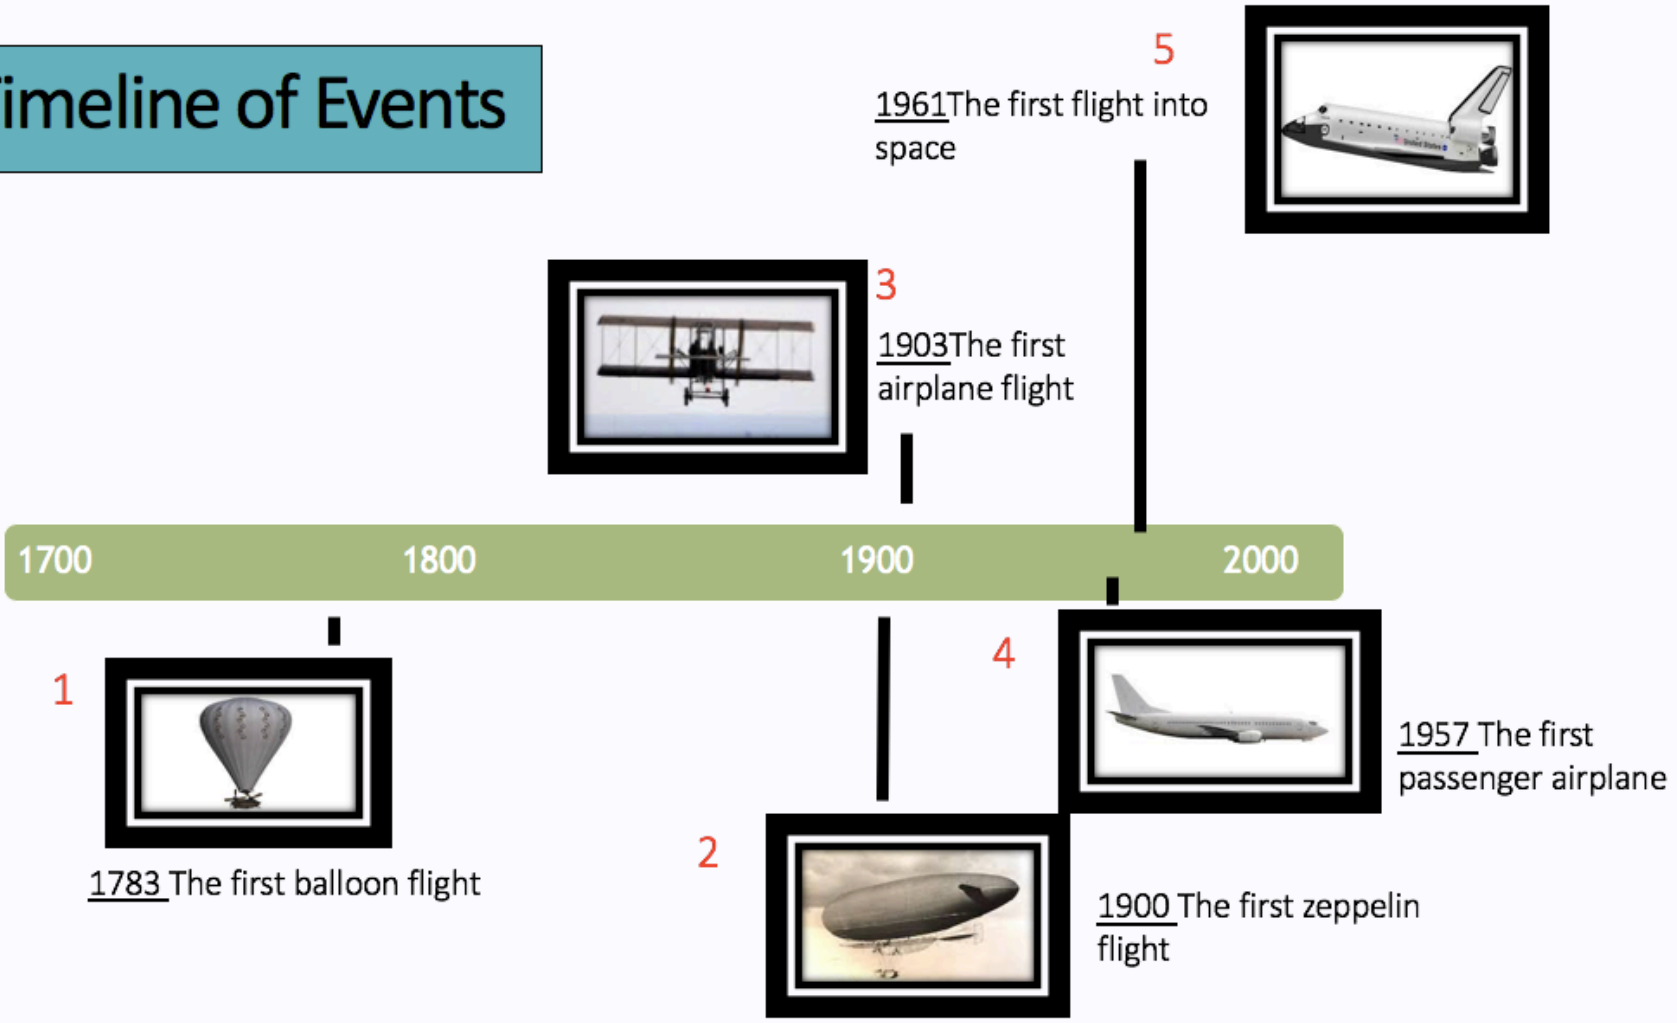

Watch video of early flight attempts by man, there were many tried attempts- <https://www.youtube.com/watch?v=qN-ZktmjlfE>

Look at the pictures below, can you put them in order starting with what you think came first, talk about why you think that, is there anything in the picture to give you a clue?

Look at the timeline discuss how long ago it was and put pictures into correct order if needed.

# Timeline of Events

## Activity 2

Look at these pictures can you discuss similarities and differences?

Can you write three things that are the same and three things that are different?

### Extra activities:

Set up a role play airport/cockpit/ plane journey.

Draw a suitcase, draw and labels items you would pack, where would you go? Why?
