Some activities for you to try:

Create your own dinosaur. What does your dinosaur look like? How long are its arms? What does it eat? Get creative and draw your very own dinosaur. Don't forget to give it a name!

Create your own planet. What does your planet look like? Do aliens live there? Do they have pets? Get creative and draw your very own space scene. Don't forget to give your planet a name!

In the story the very hungry dinosaur eats everything in sight, including their only way home: the rocket! Can you think how will Dino get them back home?
