To Vine,

I had to tell you about my trip to Dines Green. At the campsite, there is a park with a big slide. There are lots of children that I like to play hide and seek with.

We have been on a long bike ride around the town. At the end of the ride, the rain came down in buckets and our wheels began to slide on the road.

Yesterday, I flew my new kite. I let the line out so far that the kite was just a dot in the clouds.

At midnight, I will be on a night hike. I think that the stars will shine so we can see the way to go.

I cannot wait to see you smile when I am home.
