

Geography - human and physical features

Activity 1:

This week we are looking at human and physical features in our environment children need to know:

Human features are man made by a human and physical features are natural. Look at human and physical features on PowerPoint 1 discuss with the children why they are human or physical.

Children to look at worksheet 1- sort pictures into physical and human feature. Can they explain how they know?

Activity 2:

Look at PowerPoint 2 recap human and physical features.

Look at the Photograph below can you spot human and physical features?

Answers for photograph A

<u>Physical features</u>	<u>Human features</u>
Trees	Houses/buildings
Fields/grassed areas	Roads
River	Tennis courts
