

Year 2 home learning week commencing 8th June 2020

Maths with answers in red

This is our last week of learning about money. Here's the video I have made for you:

<https://www.youtube.com/watch?v=6SaREbVg550>

Activity 1

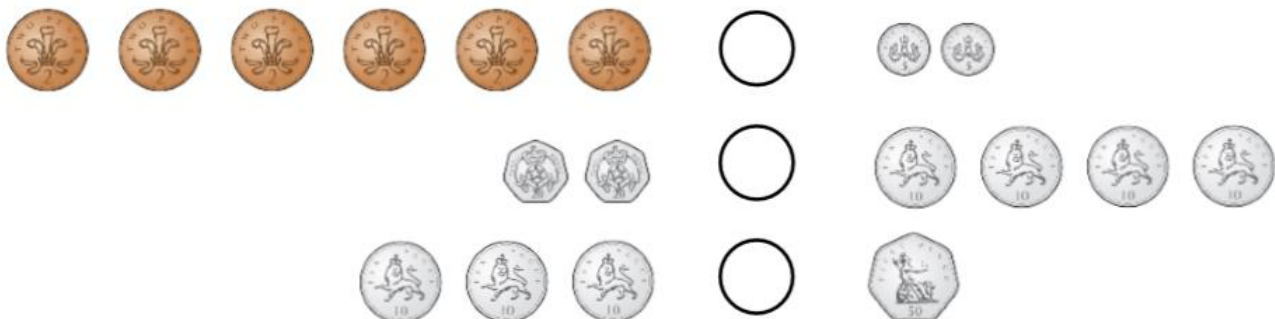

Watch the first part of the video then answer the questions below:

1. Count the money:

34p and 30p

2. Use the symbols < (less than) > (greater than) or = (the same as) to compare the amounts of money shown:

- 3.

Jack selects four of these coins.

He can use the coins more than once.

What total could he make?

What is the lowest total?

What is the greatest total?

The lowest total is 4p (1p + 1p + 1p + 1p). The greatest total is 80p (20p + 20p + 20p + 20p)

Activity 2

Watch the second part of the video then answer the questions below:

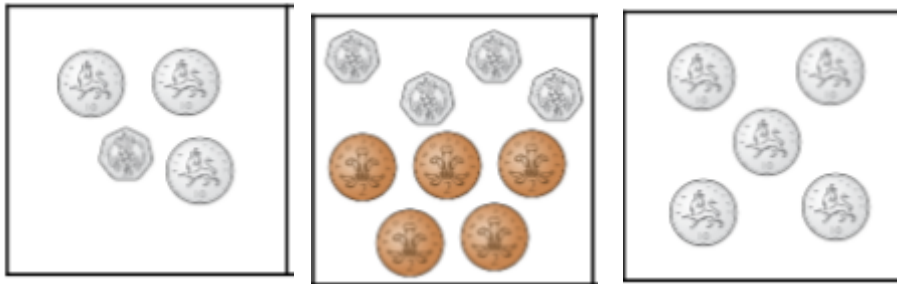

1. Circle 56 p.

$$56p = 50p + 5p + 1p$$

$$\text{Could be } 20p + 20p + 10p + 2p + 2p + 2p$$

2. Circle the box which does NOT show 50p:

The middle box does not show 50p, it shows 90p

3. Make 30p 3 different ways using the coins below. You can use each coin more than once.

Possible answers include:

$$20p + 10p$$

$$3 \times 10p$$

$$6 \times 5p$$

$$30 \times 1p$$

$$15 \times 2p$$
