

## Year 2 home learning week commencing 18<sup>th</sup> May

Hello Year 2!

I hope you have had a good week. It was wonderful speaking to lots of you on the phone last week. It made me really happy to hear your news. It's also been great receiving work and photos from some of you via email. Please keep sending them to [year2@ashgrove.cheshire.sch.uk](mailto:year2@ashgrove.cheshire.sch.uk)

For your home learning this week, we have got literacy, maths and reading activities on separate documents as well as history and RE which are below. If anyone needs any help, please just email.

Missing you lots,

Love from Miss Coope

### History

We are continuing our learning about Queen Victoria.

#### Activity 1

Use the facts you learned last lesson (history week 2) to create a timeline of Queen Victoria's life from when she was born to when she died. Remember, on a timeline the first date goes on the left and the last date goes on the right, so your timeline will start off looking like this then you can fill in the other events. Draw the timeline into your books. You could add some pictures if you like.

Princess Victoria  
Is born 1819
