

## Year 2 home learning week commencing 6<sup>th</sup> July

Hello Year 2

I hope you are all doing well. It was lovely to speak to some of you on the Teams catch up last week and I look forward to speaking to you again this week.

I loved seeing pictures of some of your finished dips for D&T last week – they looked really delicious!

For our home learning, we have got literacy, maths and SPAG activities which are on separate documents, as well as geography and RE which are below.

Don't forget to get in touch via email at [year2@ashgrove.cheshire.sch.uk](mailto:year2@ashgrove.cheshire.sch.uk) to send me your work, ask any questions or share what you have been doing. I love hearing from you!

Missing you all loads,

Love from Miss Coope x

## Geography – our local area

We are carrying on with our learning about local geography, focusing on the features of our local area.

### Activity 1

Watch the video then answer the questions:

<https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-maps/zdwhpg8>

1. Why do we need maps?
2. What do these map symbols represent?

3. Label the 4 points of the compass symbol with North, South, East and West.

If you have any maps at home, have a look at them with a grown up. You might be able to look at some online maps too. What symbols and features can you see?

### Activity 2

With a grown up, draw a simple map of the area around your house.

You could use symbols to represent the different things around you.

Ask an adult to help you draw your map the right way round, with north at the top of the map.

I look forward to seeing your maps!
