

Year 2 home learning week commencing 8th June 2020

Literacy

Over the next few weeks, we will be practising our important sentence writing skills and thinking about the seasons.

Activity 1

Watch the video below. It is about the 4 seasons that we have in the UK: spring, summer, autumn and winter.

Tell a grown up in your house which part of the video represents which season.

Write down everything you can see in the video about **spring**. Just individual words or groups of words are fine. They don't have to be full sentences.

Activity 2

Watch this video to remind you about the 4 sentence types:

- a) Here are some sentences about spring. They are either questions, commands, exclamations or statements. Write a Q, C, E or S next to each sentence to show what each one is:

Spring is my favourite season.

Look for new shoots coming through the soil.

What can you see in spring?

Hooray, it's spring!

- b) In your book, write 4 more sentences about spring. Write a command, an exclamation, a question and a statement. Really focus on making sure these sentences make sense. Remember your punctuation!
