SPAG – Spellings, Punctuation and Grammar

We are continuing to look at homophones – words which sound the same but are spelled differently with different meanings, like sea and see.

Activity 1

Watch the Bitesize video and complete the quiz on this link:

<https://www.bbc.co.uk/bitesize/topics/zqhp2p/articles/zc84cwx>

Activity 2

Write a sentence in your book using each word. Be careful – they are homophones! You could draw some pictures to illustrate them too if you like.

My example:

Sea - Noi crossed the rough, choppy sea in his wooden boat.

1. sea
2. see
3. blue
4. blew
5. bear
6. bare
