### **Step back baby**

Not last night but the night before,

*Step back baby, step back!*

Twenty-four robbers at my door,

*Step back baby, step back!*

Open up the door and let them in,

*Step back baby, step back!*

Hit 'em on the head with the rolling pin,

*Step back baby, step back!*

Should've seen the way those robbers ran,

*Step back baby, step back!*

I picked up my frying pan,

*Step back baby, step back!*

Some flew east and some flew west,

*Step back baby, step back!*

Some flew over the cuckoo's nest,

*Step back baby, step back!*
