

Non-Violent Protest Movement

Violence

What is violence?

Why do people act violently?

Is it understandable that people act violently when they have been treated badly?

Protest

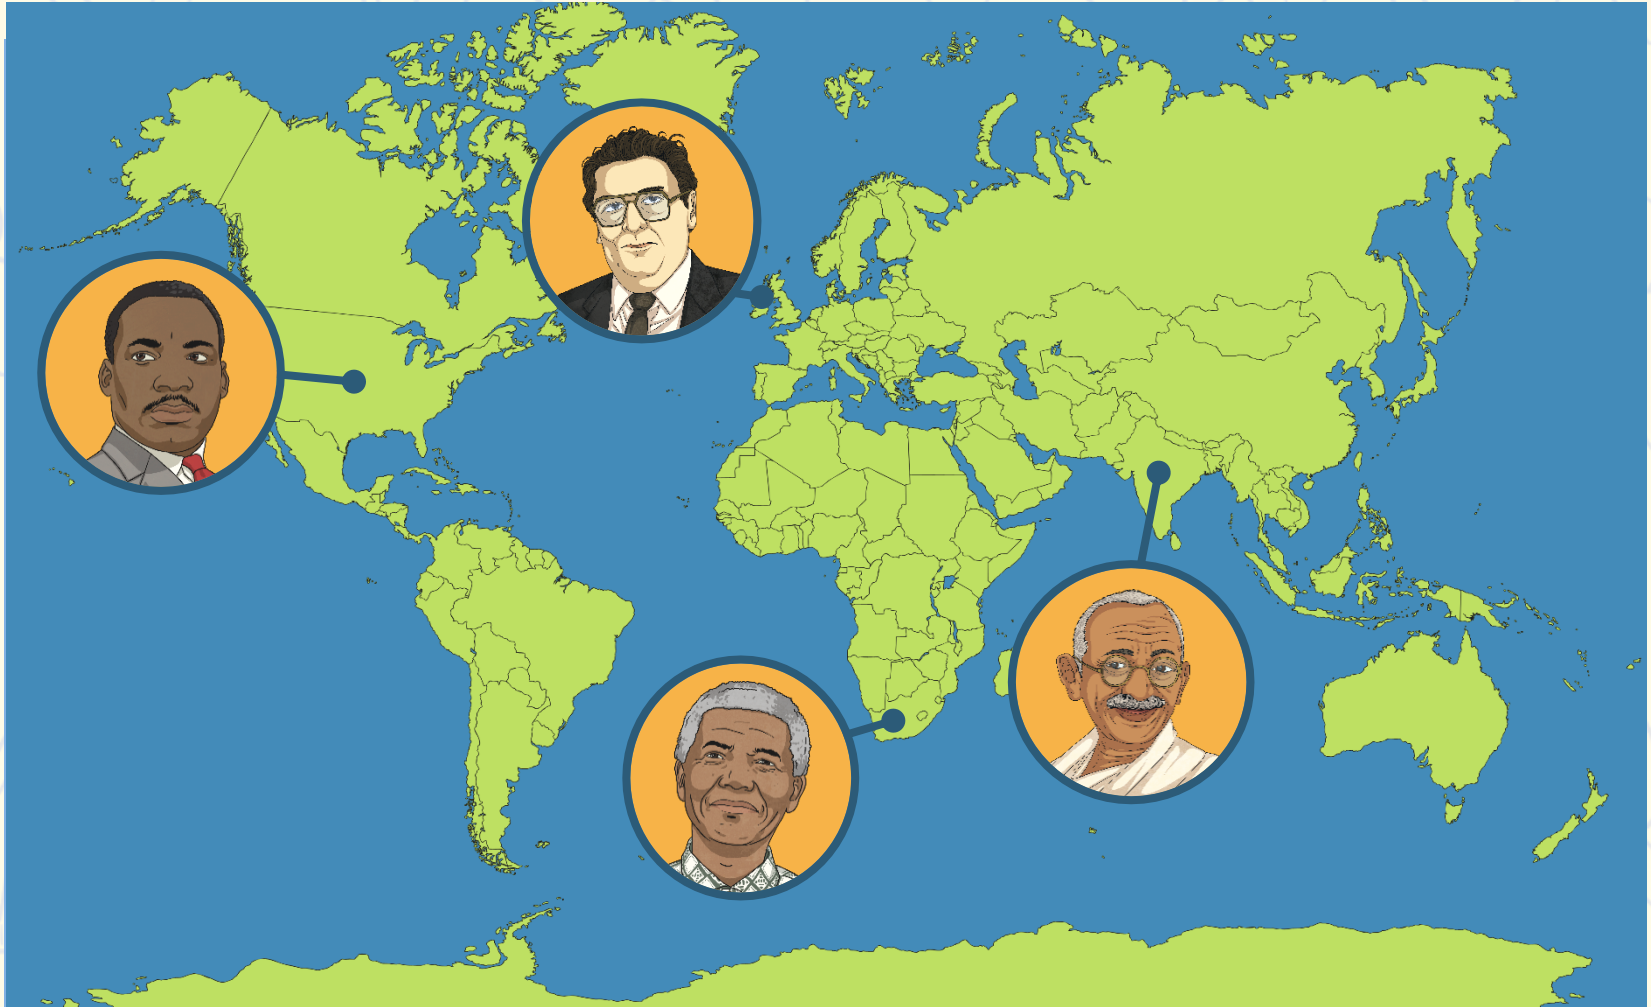

What is a protest?

Why do people protest?

Have you heard about any protests in the news recently?

Does everyone think protests are a good thing?

Non-Violent Protest Movement

Impact of Beliefs

Choose a famous person from the class page to read about.
Answer the questions on the next slide and complete the fact
file activity sheet.

Impact of Religious Beliefs

How important were the religious beliefs for the key figures you learnt about today?

Were they only influenced by their own religion?

Were there common ideas about non-violence in all religions?

Can you give examples?
