

Year 6 Home Learning – Literacy Week 11

Time to write!

This week, you are going to use all the planning and ideas you have gathered over the past 5 weeks to write your persuasive piece about your new spy gadget. Take your time, don't rush and remember going back and checking/editing/adding or removing parts is all part of the writing process.

To help you with your writing, you have lots of different things to help you:

- ✓ The original model text of an advert – The Multi-Function Mobile Phone
- ✓ The toolkit for persuasion
- ✓ Your ideas page
- ✓ Your diagram
- ✓ The vocabulary we learned from the model
 - ✓ And most importantly, your plan
