

Policy for

Members, Trustees and Local Governors Expenses

Prepared by:	Adopted by Board of Directors
CEO	Spring 2022

Jan 2022 – there are no changes from the previous policy

Members', Directors' and Local Governors' Expenses Policy

Introduction

The Aspire Educational Trust understands that the contributions of time and commitments of its Members, Directors and Local Governors are important to the continued success of the AET. However, we do not expect Directors and Local Governors to be out of pocket as a result of carrying out trust business.

Scope

This policy applies to all Members, Directors and Local Governors of the AET. Policies relating to staff expenses are covered by the Financial Regulations of the MAT.

Remuneration

Members, Directors and Local Governors cannot be remunerated for time spent on MAT business. They are, however, entitled to be reimbursed for out of pocket expenses incurred.

Expenses

A sample of the expense claims will be reviewed by the auditors. These will include all of the Directors and a sample of Local Governors from each LGB.

Claims may only be made for expenses which are wholly, exclusively and necessarily incurred for the purposes of the trust.

Where ever possible school resources should be used and where this is not possible prior approval should be obtained from the CEO.

The following types of claims may be considered:

Travel

- i. Car mileage /motor cycle millage at the current HMRC approved rate per mile (this includes car sharing).
- ii. All other transport must be booked through the trust.

Meals

- iii. Reasonable meal costs when away from home on trust business up to a maximum of £20 per director / Local Governors per day.

Child Care

- iv. Childcare when attending meetings on behalf of the MAT at cost.

Other expenses

- v. Other incidentals at cost, which might include telephone, stationery, printing costs, etc.

All expenditure needs to be reasonable and backed up by supporting documentation in the form of VAT receipts itemising each expense incurred.

Claims should be made by the end of the term during which the expense is incurred and the details, together with receipts and supporting information, recorded on a MAT expense claim form (see Appendix 1).

In calculating the mileage Members, Directors and Local Governors should use the shortest route as per Google maps and include the postcode of departure and destination on their millage claim form.

Members, Directors and Local Governors must have their expenses approved by the CEO who has the discretion to query such expenses in line with the Academies Financial Handbook.

Exceptional Circumstance

The CEO will consider claims submitted late and will consult with two other directors before making a decision.
