

## Helicopter Stories at Ash Grove Academy

Reception class thoroughly enjoy Helicopter Stories! This approach puts children's stories at the heart of teaching, as each child's story is written down word for word and acted out on a makeshift stage in the classroom. We find that as the year goes on, stories become more elaborate and imaginative, with more detailed plots.

You can find out more information about Helicopter Stories by visiting the 'Our School' tab on our website and clicking on 'School Information', then 'Helicopter Stories Centre of Excellence'.
