Statement of intent

All AET policies are written to support our schools and communities. We do this by ensuring they are always in line with our Colleague Values:

Applying these values to everything we do means always acting with integrity, in the interests of others, being honest, open and transparent and putting the safety of our children first.

The Aspire Educational Trust / School aims to maximise the use of all its facilities. The intended purpose of the Trust / School's facilities is to benefit the school community; however, the Trust / School understands that extending the use of the premises to the wider community allows us to maximise our income and provide an advantage to the clubs and groups who will use our facilities.

The Trust / School endeavours to positively contribute to increasing participation in activities taking place in the local community.

This policy clearly sets out the rules and procedures the Trust / School expects hirers to follow when using the facilities.

Potential hirers will contact the Trust / School at least two weeks before they wish to use the premises.

Prospective hirers can apply through an application form which will be submitted in writing to the Trust / School office or emailed to email address. For regular hire, only one application form needs to be submitted; however, all the requested dates will be noted. Hirers will explain their desired use of the premises when completing their application form.

After receiving an application to use the Trust / School's premises, the Headteacher / Principal will speak to the Board of Trustees / LAC about whether the premises are suitable for the hirer's needs.

If the application is rejected, the Headteacher / Principal will contact the applicant, either by telephone or email, to clarify the Trust / School's response and outline the reasons for rejection.

Once the application has been accepted, the Trust / School / school will take a deposit of 10 percent of the overall fee for hiring the premises; this deposit will be deducted from the final costs of hiring. Fees can be paid via cash, cheque or bank transfer. The hirer will state how they intend to pay in their application form.

Sub-letting of any form is strictly prohibited. If the Trust / School receives any evidence pertaining to plans to sub-let the Trust / School premises, all bookings the hirer has made with the Trust / School will be cancelled.

If the Trust / School intends to sub-let part of the site to a commercial business, it will seek permission from the ESFA and complete a property information note (PIN).

4. Fees

The Trust / School requires a 10 percent deposit of the overall fee to be paid to the Trust / School to secure a booking.

The remaining amount is to be paid before or on the requested booking date.

Hirers should give the Trust / School at least 5 days' notice if they wish to cancel their booking.

If the Trust / School receives inadequate notice of cancellation, the Trust / School may keep the hirer's deposit to account for any loss of earnings.

Trust / School staff, on behalf of the Trust / School, reserve the right to refuse access to the premises hired if the whole fees have not been paid.

In the event any fees are outstanding after the hirer has used the premises, their organisation will be barred from using any facilities controlled by the Trust / School until they have paid the full amount.

The Trust / School reserves the right to take legal action should any outstanding fees remain unpaid for 30 days after hiring.

Should any equipment, including items that have not been requested, be damaged, lost or stolen whilst under the hirer's care, the Trust / School reserves the right to charge for repairing or replacing the equipment.

 - The series is of at least ten sessions.
 - Each session is for the same sport or activity.

Hirers will be required to conduct their own risk assessments for their activities.

Emergencies

In case of an emergency, the on-site telephones can be used to call the emergency services. All hirers will be advised to have access to at least one mobile telephone that can be used to call the emergency services, should the on-site telephones not be accessible.

First aid

The site manager will check first aid kits regularly to ensure their stock levels remain high and, where necessary, restock the first aid kits with the relevant items. The site manager will show hirers where first aid kits are, should they be required. Hirers will be responsible for ensuring they have a trained first aider on site during the times they use the premises.

Fire safety

The hirer will familiarise themselves with the relevant risk assessments before using the premises.

Hirers will be provided with a copy of the Trust / School's Asbestos Management Policy and asbestos management plan (AMP) before using the site.

The site manager will inform the hirer of any asbestos containing materials (ACMs) that have been identified and how they could be damaged or disturbed. Hirers will receive the correct information and instructions and will be clear on what precautions to take. If the Trust / School finds there has been, or may have been, an unplanned disturbance of asbestos after the facilities have been hired, the following action will be taken:

- All activities will stop, and everyone will be evacuated from the affected area

Smoking will not be permitted on the premises at any time. Alcohol will not be brought on to, or consumed on, the premises unless the Trust / School holds a licence to sell alcohol and this has been agreed in writing by the Headteacher / Principal.

6. Safeguarding

The Trust / School will ensure that appropriate arrangements are in place to keep children safe during the hiring out school premises and facilities. Organisations submitting a lettings request involving working with children and/or young people will submit a signed copy of their current Child Protection and Safeguarding Policy. The governing board will ensure there are arrangements in place to liaise with the organisation on these matters where appropriate.

The Trust / School will ensure safeguarding requirements are included in any transfer of control agreement, as a condition of use and occupation of the premises. Failure to comply with this will lead to termination of the agreement.

All hirers must state the purpose of the hire. Each application will be vetted by the DSL and any concerns will be reported to the Board of Trustees / LAC prior to approval.

When determining whether to approve an application; the Board of Trustees / LAC will consider the following factors:

- The type of activity
- Possible interferences with Trust / School activities
- The availability of facilities
- The availability of staff
- Health and safety considerations
- The Trust / School's duties with regard to the prevention of terrorism and radicalisation
- Whether the letting is deemed compatible with the ethos of the Trust / School

An application will not be approved if it:

- Is aimed at promoting extremist views.
- Involves the dissemination of inappropriate materials.
- Contravenes the statutory Prevent duty.
- Is likely to cause offence to public taste and decency (except where this is, in the opinion of the Trust / School, balanced or outweighed by freedom of expression of artistic merit).

The Headteacher / Principal will file an incident report form if they have reason to believe that the letting has been used for political purposes not previously authorised, the dissemination of inappropriate material or any other purpose that contravenes the Prevent duty.

Where an individual group is found to be promoting views in contravention of the Trust / School's Prevent duty, the person or group is guilty of an offence, under the Education Act 1996, the Trust / School will contact the police/school security who will remove the person or group from Trust / School premises.

All hirers will read and review the Trust / School's Child Protection and Safeguarding Policy.

The premises will not be available to hirers after 10:00pm, to avoid any noise complaints from neighbouring residents.

The site manager will remain on site until 6:00pm to hand over control of the premises to the first hirer of the evening.

Keys or security codes will not be passed to any hirer or other person without written permission from the Board of Trustees / LAC.

The site manager will return to the site before the last hirer leaves, to ensure the site is clean and secure ready for the next day.

The Trust / School uses a 'three strike rule' when handling complaints lodged against hirers; however, the Trust / School reserves the right to take more severe action depending on the nature of the complaint.

- Strike one – hirers will receive a verbal warning about their conduct on the property and be warned that repeated offences will result in their booking privileges being suspended.
- Strike two – hirers will receive a second verbal warning and a letter explaining that the Trust / School takes a zero-tolerance approach inappropriate behaviour. This letter will outline that any fines for the behaviour that the Trust / School is issued may be passed on to the hirer if there is sufficient evidence to do so.
- Strike three – the hirer will be barred from booking the Trust / School premises for any activity for a period of two months. The Trust / School also expects the hirer to issue an apology to the Trust / School and complainant in writing.

The use of public announcement systems and loudspeakers must be agreed with the Headteacher / Principal and site manager, this agreement must include a maximum noise level which is not to be exceeded.

The Trust / School's car park is available to hirers during their time on the premises; however, the Trust / School will not accept responsibility for any loss, damage or accident that may occur whilst the car park is in use.

Hirers will only use the car parking spaces allocated and, should any additional spaces be required, the site manager will find suitable spaces on the premises for additional parking.

In the event additional parking is required, the site manager will ensure the Trust / School premises remain accessible to the emergency services, should they be required.

8. Equipment

Hirers will identify any equipment they require from the Trust / School and detail this in their application form; hirers must seek permission from the Trust / School to use any additional equipment once the form has been submitted.

Furniture and fittings will not be removed or interfered with in any way, unless permission has been granted by the site manager or Headteacher / Principal. In the event permission has been granted, the site manager will oversee the move.

If a furniture move has been agreed, the hirer and site manager will negotiate restoring the premises back to its original state.

Any damage to equipment, furniture or the building will result in the hirer being charged the cost of any repairs or replacements.

Any seating provided is limited to the number of chairs on the premises.

Hirers are allowed to bring their own equipment on to the premises; however, they will be required to acknowledge this in their application forms.

The Trust / School cannot be considered responsible if any of the hirer's equipment is damaged, stolen or lost whilst being used on the premises.

CCTV systems will be used to monitor events and identify incidents taking place whilst the premises are in use, in accordance with the Trust / School's CCTV Policy.

Hirers will report any stolen or missing equipment to the site manager immediately.

Food and drink may be prepared on the premises; however, hirers must seek direct permission from the Trust / School.
