## In the news this week

In countries across Europe, including Romania, Belgium, France, Hungary, Poland and Greece, tractors have been blocking city streets and motorways as farmers protest against certain European Union (EU) rules. Their concerns include falling incomes, rising red tape, and competition from imports. Both national governments and the EU are now under pressure to stop the demonstrations. One protesting farmer, Hugo Auge from France, told news reporters for CNN that the current system, 'makes a mockery of both farmers and consumers'.

### Things to talk about at home ...

- What are some of the other ways you can take action if you don't agree with something?
