Statement of intent

All AET policies are written to support our schools and communities. We do this by ensuring they are always in line with our Colleague Values:

Applying these values to everything we do means always acting with integrity, in the interests of others, being honest, open and transparent and putting the safety of our children first.

The Aspire Educational Trust believes in creating a safe, welcoming and stimulating environment for all the children in its care. The school believes that a safe social atmosphere helps children of all ages to develop their social skills and confidence.

Ash Grove Academy provides a number of extended services in the following five areas:

1. Extra-curricular clubs and activities
2. Wraparound childcare before and after the school day – 7:30am – 6pm (see Wraparound Childcare Policy)
3. Support and intervention for emotional well-being and mental health
4. Parenting and family support, in partnership with the Ash Grove Family Hub
5. Signposting and referral to targeted and specialist support services, such as speech and language therapy

In providing and enabling the provision of these services, the school will continue to ensure that the highest standards of care, guidance and support are afforded to all attendees, at all times.

The school will ensure that services are provided in line with the school's ethos, vision and values and in accordance with school policy and procedure.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Health and Safety at Work etc Act 1974
- Children Act 2004
- Equality Act 2010
- Children and Families Act 2014
- DfE (2022) 'Health and safety: responsibilities and duties for schools'
- DfE (2023) 'Keeping children safe in education 2023'
- DfE (2024) 'Wraparound childcare: guidance for schools and trusts in England'
- DfE (2024) 'Responding to requests for wraparound childcare'
- DfE (2018) 'Charging for school activities'
- 'Out-of-school settings: safeguarding guidance for providers'
- [New] DfE 'Free breakfast clubs: guidance for schools and trusts for phase 1 of the national rollout from April 2026'
- DfE 'Free breakfast clubs: guidance for schools on the early adopter programme, April 2025 to March 2026'
- The School Premises (England) Regulations 2012

2. Extended services: overview

Extended services relate to a suite of additional services and activities provided by the school which are usually offered outside of the school day – after school, evenings, weekends and holidays. These services and activities will generally include provision related to the following areas:

- A varied menu of activities provided by schools, which may include study support, play/recreation, sport, music, arts and craft and other special interest clubs
- Wraparound childcare before and after the school day from 7:30am – 6pm
- Parenting support and family learning
- Swift and easy access to targeted and specialist support services, such as speech and language therapy

Wraparound and holiday childcare

The government expects **all** schools to have wraparound childcare on the school site, unless there is a reasonable justification not to, having considered all support available.

Wraparound childcare is defined as childcare that 'wraps around' the conventional school day i.e. provision directly before and after the school day, during school term time for school age children. It also refers to childcare provision in the school holidays.

Wraparound and holiday childcare can either be:

- On a school's site, run in-house by the school or in partnership with a provider.
- At a nearby school or private, voluntary or independent (PVI) provider.

Provision should:

- Be regular.
- Have longer hours.
- Be more dependable for working parents.
- Not require parents to pick their children up from school and drop them off at another location.

Schools are expected to consider and respond to requests relating to wraparound childcare requests from both parents and PVI providers.

The schools' existing enrichment and extracurricular offers will interact with, complement, and support delivery of wraparound childcare provision. The remainder of this policy applies to the school's provision of these enrichment and extracurricular services and activities.

Roles and responsibilities**The Local Academy Committee (LAC) will:**

- Ensure the school responds to its community's needs by providing a varied menu of services and activities.
- Ensure that any extended services activities do not interfere with the school's responsibility to provide a high quality and safe teaching environment.
- Ensure that child protection and safeguarding policies and procedures are updated to reflect any services provided by the school.
- Hold the Principal and School Business Manager (SBM) to account for the provision or performance of any extended services provided or facilitated by the school.
- Provide support to the Principal in deciding whether the school should provide new childcare services.

The Principal will:

- Recruit and manage staff required for the extended services provided.
- Report to the governing board (LAC) on the performance of the extended services provision.
- Manage any complaints relating to the school's extended services provision.
- Establish a clear and transparent charging and remissions policy, including the details of any extra charges being applied, where appropriate and necessary.
- Check the school has the appropriate policies and agreements in place to deliver and run the planned extended services.

The SBM will:

- Determine the financial viability and practicalities of any new childcare service and offer evidence-based recommendations to the Principal as to whether the school should provide the service and how it should be delivered i.e. school run or by private, voluntary, and independent (PVI) providers.

- Ensure that employment contracts are revised for school staff working within any of the extended services provided.
- Ensure that the appropriate risk assessments have been undertaken for all services and activities being delivered on the school site.
- Ensure that the appropriate insurance is in place for any extended service provision.
- Implement an appropriate payment system for the extended services provided.
- Purchase materials and equipment for the extended services provided, as appropriate.
- Publicise the services and activities that parents and families can access at the school on the various information channels available to the school.
- Maintain financial records for the extended services provided.
- Review and update facilities management policies and procedures to ensure that they cover the extended services provided, e.g. cleaning, maintenance and security.
Ensure that any food provided is consistent with the school's Healthy Eating and Drinking Policy.
- Manage contracts, including putting in place the appropriate service level agreements, break clauses and exit strategies with external providers.

The SENCO will:

- Review and update existing equal opportunities policies to reflect any new services and activities provided by the school and then ensure that the service and its staff adhere to those policies and procedures.
- Ensure that providers have clear equal opportunities policies and procedures in place.
- Ensure that staff working within the school's extended services consider the needs of children with SEND when planning their activities to prevent discrimination, promote equality of opportunity and foster positive relations.

The Designated Safeguarding Lead (DSL) will:

- Review and update existing child protection and safeguarding policies and procedures to reflect any new services and then ensure that the service and its staff adhere to those policies and procedures.
- Ensure that providers have clear policies and procedures in place to safeguard children.
- Ensure that any additional staff recruited (both paid and volunteers) complete an enhanced DBS (with barred list) check before they care for children.
- Obtain written confirmation from external providers confirming that enhanced DBS (with barred list) certificates have been obtained for staff working within the school's extended services.

Hirers will be responsible for:

- Ensuring the proper use of the facilities and equipment they have requested to use.
- Taking the necessary steps to ensure there is no damage to any equipment or furniture, or the building itself after use.
- Ensuring all related visitors and volunteers have signed in during their period of hire.
- Leaving the premises in a clean and tidy condition.
- Working with the site manager to ensure that the premises are secure after use.
- Obtaining adequate public liability insurance to a minimum of £5 million.

- Providing the Principal with proof that they hold a current and relevant insurance policy.
- Obtaining all necessary safeguarding checks for all activities involving children, e.g. DBS checks, and providing proof of this to the Principal.
- Reading the school's safeguarding policies and procedures and ensuring they understand the rules and procedures detailed within.
- Informing the governing board of the activities that will be undertaken on the premises.
- Adhering to the school's Letting and Community Use of School Facilities Risk Assessment.
- Adhering to the DfE's 'After-school clubs, community activities and tuition: safeguarding guidance for providers'.

3. Non-funded breakfast and after school clubs

The school will offer high-quality wraparound care, including a breakfast club and an after-school club, for pupils aged 4 to 11. These clubs will operate on a self-funded basis through parental fees and available pupil premium support.

Provision will be made available to children aged **4** to **11**.

The school will have a first come, first served policy for admissions to the school's breakfast and after school clubs. When all the places have been filled, new applications will be placed on a waiting list. The following cases will be prioritised.

- Siblings of pupils already attending the school
- Pupils who attend the school

The school will use pupil premium funding to support access for disadvantaged pupils to ensure equal access.

Before registration, parents will be given the following information:

- **The availability of places**
- **Admissions and Fees Information**
- **Behaviour Policy**
- **Complaints Procedures Policy**

Parents will be required to complete and return the following forms before children attend the clubs:

- **Registration form**
- **Medical form**
- **Parent contract**
- **Booking form**

- **Photo permission form**

Breakfast Club provision will cater for up to **60** children at a time, ensuring that there is a staff to child ratio of **1:15** at all times. After School Club provision will cater for up to **30** children at a time, ensuring the same staff ratio of 1:15

The following daily fees will apply:

- Breakfast club: **FREE** funded by the Greggs Foundation
- After-school club: **£8.00**

Breakfast clubs will include a choice of breakfast foods and a range of supervised activities.

After-school provision will include a light meal, structured games, crafts, and outdoor play (weather permitting).

The clubs will operate in accordance with the school's Child Protection and Safeguarding Policy, Health and Safety, and SEND Policy. All staff will receive appropriate training.

4. Extracurricular clubs and activities

A variety of extracurricular activities and clubs will be offered with the aim of developing pupils' life skills – these are not the same as wraparound care.

Extracurricular activities will be used to give pupils the chance to explore things which they've never encountered by exploring beyond the national curriculum.

A range of opportunities will be provided to pupils to promote a healthy lifestyle and support pupils' wellbeing, such as sporting activities to encourage team work and self-confidence.

All clubs will be available to a mix of age groups, ensuring that pupils are given the opportunity to interact with others who have similar interests, rather than always being with classmates or small groups.

Extracurricular clubs and activities will be provided free of charge, except for the cost of personal or specialist equipment.

All clubs and activities will follow a first come, first served policy in relation to admissions. When all the places have been filled, new applications will be placed on a waiting list.

Extracurricular clubs will be organised, managed and conducted in accordance with the school's existing policies.

The staff to pupil ratio for extracurricular clubs and activities will be **1:15**. When activities involve leaving the school premises, this ratio will change to **1:10**.

Pupils attending the club/activity will be registered at the beginning and end of the session in order to ensure that nobody is missing.

All extracurricular clubs and activities will follow the same procedures and protocols as the school's extended services.

Whilst clubs and activities are being conducted, the designated member of staff leading the extracurricular club will be responsible for the safety and welfare of all pupils.

Appropriately trained members of staff will support the activities provided where SEND provision is needed.

Extracurricular clubs will not discriminate against pupils with SEND.

5. Arrivals and departures

The school is fully committed to the safety and security of all the children attending its extended services; therefore, several procedures will be put in place for when children arrive at a breakfast or after-school club:

Breakfast clubs

- Parents are expected to drop their child off at the breakfast club.
- Attendance will be recorded in the breakfast club's register.
- A member of the Breakfast Club staff will escort **Reception** and **Year 1** pupils to their respective classes. Older children will make their own way to class.

After-school clubs

- The booking list acts as the After School Club register for that day.
- Children who are booked into After School Club, and therefore on the booking list, will be collected from class by After School Club staff at the end of the school day.
- If there is any confusion about a child who says they are at After School Club but is not on the booking list, After School Club staff will liaise with school staff and/or SLT and parents will be contacted.

Only pupils who attend Ash Grove Academy will be allowed to attend the school's extended wraparound care. All personal details for these children, including medical or SEND information and contact details for parents or carers, are stored on Arbor. Relevant information is made available to After School Club staff.

If someone other than the person registered is collecting the child, the school office must be notified by the registered person before 3:30pm. The registered person must also provide a description of the individual and confirm the password. Office staff will ensure that this information is passed on to After School Club staff.

- If the registered person is running late, staff must be notified before the end of the collection period by the registered person. If no notification is received, the club will follow the procedures outlined in [section 8](#) of this policy.

No children are permitted to leave the premises from After School Club unaccompanied.

6. Involving parents

The school aims to achieve effective communication with parents; therefore, it will have the following protocols in place to ensure effective information sharing:

- Parents will be invited to visit the facilities before their child attends.
- All relevant policies are available on the school's website, and hard copies will also be available upon request.
- All members of staff will take note of information from parents that could affect the happiness and wellbeing of their child.
- Parents will be welcomed at the collection point to exchange information and provide updates on their child's wellbeing.
- An annual survey will be conducted to collect feedback and improve services.

7. Missing child procedure

The school will implement procedures to ensure the safety and wellbeing of all the children in the school's care.

The school will ensure it holds at least two emergency contacts for each pupil registered at the club.

All staff will be informed of the missing child procedure as part of their induction.

If at any time a child cannot be located, the following steps will be taken:

- All members of staff will be alerted that a pupil is missing.
- Members of staff will conduct a search of the premises and the surrounding area.
- At least **one** member(s) of staff will stay with the other children involved in the club, in order to prevent further problems and keep a calm atmosphere.
- If the child is not located within **10** minutes, the police and the parents of the child will be informed.
- The search for the child will continue until the police arrive.
- The Principal will liaise with the police and the parents of the child.

8. Uncollected children

Staff members will do their best to ensure effective communication between clubs and parents. If a parent is up to **10** minutes late collecting their child from After School Club, the following procedures will be followed:

- The parent will be reminded that they must notify a member of staff if they are running late
- The parent will be warned that repeated late arrival will result in penalty fees

If the parent is over **10** minutes late, the following procedure will be followed:

- A member of staff will attempt to contact the parent using the details provided on the registration documents

- If contact is not made, a message will be left. The member of staff will then attempt to reach the emergency contacts listed on the registration form
- For the duration of the wait, the child will be supervised by **two** members of staff

Although the school does not wish to charge customers extra money in the form of fees, it will have to pass on the costs for retaining staff beyond their finish time. A charge of **£10 per half hour** will therefore be levied for all late collections.

If the parent is more than **60** minutes late, the following procedures will be followed:

- If a member of staff has not reached the parent or an emergency contact, they will contact the Principal, who will contact the local social care team for advice
- The child will remain on the premises with a member of staff, or be placed with the local social care team
- If the child has left the premises with the local social care team, a note will be left on the door to the club informing the parent of the child's location. A contact number and address will be displayed.

9. Health and safety

All members of staff at the school will be made aware of their responsibilities and duties in regards to the Health and Safety Policy. All members of staff will be responsible for:

- Recording incidents, accidents and near misses.
- Maintaining a safe environment for children and adults.
- Taking part in any relevant health and safety training.

10. Safeguarding

The school will ensure that all members of staff and volunteers are suitable to work within the extended services and activities provided by the school – anyone without the appropriate checks will be supervised by a member of staff who is permitted to undertake regulated activity with children.

The school will ensure that all staff employed to work with children, up to the age of 8, are permitted to work with children and are not disqualified from working in a school, in accordance with the Childcare Disqualifications Regulations 2018.

The school will ensure that all members of staff and volunteers working in the extended services provided by the school read and adhere to the Child Protection and Safeguarding Policy.

Any safeguarding matters will be raised with the DSL or deputy DSL as soon as possible. In the event that the DSL or a deputy are not available before or after school hours, safeguarding issues will be raised with a named nominated person, e.g. the SENDCo or senior leader, who then informs the DSL as soon as possible.

Where the school receives an allegation regarding an external provider that has utilised the school premises, the school will follow the usual safeguarding procedures set out in the Child Protection and Safeguarding Policy, and ensure that the LA designated officer (LADO) is informed.

11. Illness and injury

In the event of illness or injury, the school will act in accordance with the Health and Safety Policy and the First Aid Policy.

All members of staff will be trained in first aid and are aware of their duties if a child is injured or becomes ill. In cases of minor illness or injury, the following procedures will be adhered to:

- If a child becomes ill, the parents will be contacted and asked to collect their child
- If a child is complaining of illness, but the member of staff does not believe it is serious, they will monitor the child until the end of the session
- If a child suffers a minor injury, first aid will be administered and the child will be closely monitored for the rest of the session

If a child suffers a major injury or becomes seriously ill, the following procedures will be implemented:

- If a child needs to go to the hospital, an ambulance will be called and a member of staff will accompany them
- The parents of the child will be notified immediately
- Following the incident, members of staff will conduct a review of the incident in order to prevent any such incident from occurring in the future

12. Medication

Members of staff will be expected to always act in accordance with the school's Supporting Pupils with Medical Conditions Policy and Administering Medication Policy.

Members of staff will be made aware of the importance of administering prescribed medication to children. The school and its clubs will understand that parental consent is crucial and has the following rules in place for administering medication to pupils:

- Before any medication is given, the child's medical forms will be checked to see if the medication has been approved by the parent.
- When a member of staff administers medication, another member of staff will witness the process.
- Details of the process will be recorded on the child's medication form.
- If a child refuses to take the medication, the member of staff will not administer it. The parent will be notified immediately.
- If a certain medication requires training to administer medication, only members of staff with the relevant training will administer it.
- If there are changes to the dosage or frequency of the medication, the changes will be recorded on the medical forms. Parents will be required to sign the forms again before any change in procedure.

13. Behaviour

Attendees of any of the extended services provided by the school will be expected to adhere to the school's existing Behaviour Policy; any disciplinary issues will be reported to the parents of the child.

Repeated breaches of the Behaviour Policy may result in the child being barred from attending the clubs.

Where applicable, any outstanding fees paid by the parent will be returned if a child is barred from attending the clubs.

14. Bullying Prevention Policy

The school has a strict Bullying Prevention Policy which will be implemented at all times.

Any child who is the victim of bullying is supported in a sympathetic and friendly manner.

If bullying is reported, it will be noted and investigated by a member of staff and the parents of both children are informed.

The school defines bullying as repeated harassment of others, including psychological, physical, verbal or emotional abuse.

If it is discovered that bullying has taken place, the following procedures will be adhered to:

- Incidents will be dealt with in a sensitive and thorough way
- Victims will have the chance to discuss what happened with a member of staff
- Victims of bullying will be reassured that the case will be taken seriously
- Victims of bullying will be monitored to ensure further incidents do not occur
- If another pupil reported the incident, they will be reassured that they did the right thing
- The child who is accused of bullying will discuss their behaviour to gain an understanding of why it was inappropriate
- If the bullying persists, more serious action, such as exclusion, will be considered
- All incidents will be reported to the Principal, and incidents are recorded and investigated

Bullying of a sexual nature will **never** be tolerated and will be addressed according to the procedures outlined in the school's Child Protection and Safeguarding Policy. Where crimes, such as rape, assault by penetration, sexual assault and up-skirting are included in a report of bullying, the police will be notified.

15. EYFS

Reception-aged children will be able to participate in the school's wraparound care and extracurricular clubs and activities throughout the school year.

16. Emergency evacuation/closure

In exceptional circumstances, such as adverse weather conditions, heating failure or serious illnesses, the clubs will be closed.

In the case of an emergency, the following procedures will be followed:

- Emergency services will be contacted
- All children will be evacuated from the building and taken to the designated emergency assembly point – currently, this is on the Astro Turf pitch on the main school playground.
- A member of staff will collect the register and check that all the children are at the emergency assembly point
- If a child is missing from the emergency assembly point, the emergency services will be informed immediately
- Parents will be contacted and asked to collect their children if circumstances require it
- All children remain at the emergency assembly point until they are collected by their parent

If a child has not been collected after undergoing the emergency procedure, members of staff will follow the uncollected child procedure.

17. Lettings

The school recognises that its premises are valuable to the local community and is pleased to let the premises out to local organisations to deliver the following extended services:

- Parenting support and family learning
- Swift and easy access to targeted and specialist support services, such as speech and language therapy
- Community access to facilities including adult learning, ICT, and sports facilities

The governing board will have overall responsibility for the management of lettings.

When letting out the premises, the school will ensure that any letting arrangements do not interfere with the primary activity of the school to provide a high-quality education and safe teaching environment.

All hirers using the school premises to work with children, regardless of whether the children are on the school roll or not, will be expected to abide by the school's safeguarding arrangements. The school will ensure that safeguarding requirements are communicated with the hirer prior to the letting. This will be included in the school's hire agreement document.

Hirers will be expected to adhere to the DfE's 'After-school clubs, community activities and tuition: safeguarding guidance for providers'.

All lettings will be managed in line with the school's Lettings Policy.
