

ASH GROVE ACADEMY

Events from this week w/c 28.1.19

**Thank you to all parents and carers who joined us for Cake and Calculation this morning and for your donations towards the NCPCC for Number Day. There were some very creative number-themed outfits.*

** Y4 and Y5 enjoyed a very informative visit to Kingdom Hall on Thursday.*

**Thank you for your understanding regarding the postponement of the Y1&2 Delamere Residential. The new date is now 18th and 19th March.*

**Well done to Class 1 who delivered a fabulous presentation on Tuesday.*

**Y4&5 attended a Singfest Rehearsal at Macclesfield Academy.*

**A very big thank you to everyone who made it into school on Wednesday. We were able to stay open because of the efforts of Mr Bennett in clearing all of the paths and because all of the staff –who live far and wide - travelled in. A big thank you to those families who do live some way away from the school. Hayley Moss for example who sounds as if she survived The Arctic to get the children here and on time from Bollington!*

Please check out the Ash Grove twitter feed @ashgroveacademy for updates and photos from all classes across the week.

Breakfast Club

A reminder to all parents and carers of children who attend Breakfast Club. The club is open from 7.40am. Please do not send your children earlier than this. The staff are incredibly busy preparing breakfast and getting the setting ready. They are unable to answer the door or let the children in before 7.40am. Please do be considerate. We are extremely fortunate to be able to offer this service free of charge to all of our families.

Connected Communities Events

School Car Park

A reminder that the car park is only for the use of staff and for disabled access. Parents cannot use the staff car park for pick up and drop off after 8.30am or after 3pm. Please be considerate of this rule. We have had a number of reported incidents this week of parents driving into the car park and leaving the car engine running whilst dropping their children in the quad. This is extremely dangerous and it putting the lives and safety of the school community at risk.
