Gardening Club

Ash Grove has received a small amount of money to take part in the Food4Macc Project. On Thursday afternoon, Miss Clare along with 10 children in Gardening club began the planting of our new crops. At 4.45pm, Mr Bennett was locking the school gates and noticed that all of the plants had been uprooted and some of the crops had been taken from the bed. This is extremely disappointing and upsetting for those involved given the amount of time, effort and care, the children had taken to plant these crops. Please ensure you supervise your children at all times when leaving the premises. It is unfair that the thoughtless actions of a few can ruin the best efforts of the children.

KS2 SATS

Year 6 children will be sitting their end of Key Stage 2 statutory assessments next week. They are extremely well prepared thanks to the efforts of the Year 6 team, Mrs Schofield, Mr Lewis and Mrs Hall. Please can the children arrive in school each day next week on time, following a good night's sleep and having had a good breakfast. We are extremely proud of the resilience and commitment the Year 6 children have shown throughout the year. They have all made outstanding progress. Their efforts will be awarded with a Dominoes' Pizza delivery next Friday.

Lost Keys

A set of keys found in the school hall has been handed into the school office.

Ash Grove Summer Holiday Club Donation
