Inclusion Policy

We believe that we are an educationally inclusive Academy as we are concerned about the teaching and learning, achievements, attitudes and well-being of all our pupils. As part of this commitment please see the Local Offer.

Aims

- To give all pupils the right to learn together.

Procedure

SENCO	The SENCO (Special Educational Needs Co-ordinator) co-ordinates our Inclusion Policy.
Academy Environment	An annual audit of the Academy building and grounds is carried out by the Governing Body Premises Committee to ensure that all pupils with disabilities have full access to all areas of learning.
Class Environment	Pathways can be created in all classrooms to allow wheelchair access and ease of mobility.
Teaching & Learning	Teachers' planning takes into account the abilities of all pupils, with work being differentiated to fit the needs of everyone. Teachers use a variety of teaching styles to deliver a broad and balanced curriculum.
Resources	Appropriate resources are in place to cater for all individual needs. These are updated and replaced when the need arises.
Links & Lines of Communication	We have in place good lines of communication and strong links with parents and outside agencies that provide invaluable support and advice.
