

ASH GROVE ACADEMY

ASPIRE

Events from last week w/c 27/1/20

**Thanks to our parent council reps who attending a meeting last week after school.*

**Well done to the children in Year 5 who took part in the Athletics tournament at Macclesfield Academy.*

**Year 6 had a fantastic experience at Macclesfield Town learning about health and well-being.*

**Well done to the children in class 2 on a very informative class presentation.*

**Children from Year 1 and Year 2 had a marvellous time at Delamere. Thanks to Mrs Ceuppens, Mrs Roberts, Miss Coope and Mrs Dunning for accompanying the children on this overnight stay.*

Please check out the Ash Grove twitter feed @ashgroveacademy for updates and photos from all classes across the week.

World Book Day

World Book Day is taking place on Thursday 5th March. The focus this year will be on Traditional Tales. A letter will be sent home after half term.

Cake and Calculation 6.2.20

Please do come into school from 9am this Thursday to take part in some fun maths challenges and games with the children from Reception to Y6. The event will take place in the school hall between 9am-10am. Staff will be serving homemade cakes, tea and coffee. We look forward to welcoming you into school.

Ash Grove – UNICEF Rights Respecting Award

Children have the right to their own identity – an official record of who they are which includes their name, nationality and family relations. No one should take this away from them. If this happens, the government must help children to quickly get their identity back.

A friendly reminder.

The parent council have asked school to remind our community that dogs are not allowed on the school grounds. Also, they have requested that parents do not smoke directly outside of the school gates.

STEM Week 10.2.20

There is lots going on in school next week to celebrate careers and interests in science, technology, engineering and maths. Thanks to all of the parents who have so far volunteered to run workshops in school or accompany the children on all of the trips, which are taking place throughout the week. We are delighted to welcome Astra Zeneca into school and we are looking forward to hosting the first Aspire Educational Trust Year 5 Maths Challenge.

There is still time to volunteer. If you have any sort of interest in computing, maths or science, please do get in touch. We would love to hear from you.

Thanks to Miss Clare who has organised what will be a memorable week.
