## Lily and Bobby Rushton

Well done to the Rushton family who over the weekend, rescued a flock of baby ducklings whose mother was sadly harmed by a dog. Lily and Bobby helped to save the ducklings and they are now being cared for by the rangers at Lower Moss Wood.

Here is a photo of the lovely Jean showing her support last Thursday and clapping for all of the key workers in our school community.

The children who have been in school have created some beautiful artwork, which is now in pride of place at Macclesfield Hospital brightening up the wards.
