Dear Parent/Guardian,

During this ongoing COVID 19 situation and extended closure of schools, we just want to let you know that the 0-19 School Health Service in Cheshire East is still available for contact should you have any queries or concerns regarding your child.

If you would like to speak to a school nurse, please do call us on the telephone number above.

Information and regular updates can be found on our Facebook page: Cheshire East School Nurses

We are available Monday to Friday between 9am and 5pm. If there is no reply when you ring it may mean we are busy taking another call. Please leave a brief message with your child's name, date of birth, the school they normally attend, and your contact number and we will return your call.

Keep safe.
