

## Meet your local PCSO

Hello! My name is Amy Mair and I cover Macclesfield South. I am here to answer any concerns or queries you might have.

### Road Safety Poster!

Across Cheshire Police we are launching an art project for children to enter to design a **road safety poster**. This is to link in with the **Operation Automotive** that is in place to stop speeding drivers. We need your poster to be creative as possible! Here's some examples to get you started. We are asking schools to display them on their gates so drivers can see them as they go past. Also you could include a massive thumbs up to our bin men and put this on your poster or maybe make two. These pictures will put smiles on everyone's faces!

Please email your entry to [amy.mair@cheshire.pnn.police.uk](mailto:amy.mair@cheshire.pnn.police.uk).

## Rural Crime information

### Follow the rules!

Unfortunately, **Cheshire Police Rural Crime team** have been extremely busy over the past few weeks. They have found an increase in waste being dumped in our beautiful countryside despite tips being reopened. Furthermore, several fires have broken out due to people using disposable BBQs on dry land. Emergency services such as Cheshire Fire and Rescue team are urging people to think about the risks around lighting a BBQ before doing so. Finally, several sheep owned by local farmers have been attacked by dogs being off a lead. It's extremely important that you follow the rules around keeping your dog on a lead near livestock.

## Shed crime

We have seen an increase in people breaking into **garden sheds**. Here's a few tips to prevent crime occurring-

1. Enquire if your insurance covers the contents of the shed.
2. Think like a thief! Look at things like windows and consider whether they are easy to break into.
3. Consider a battery operated shed alarm.
4. Get a decent lock to secure the door.
5. Get your bike registered and marked so the police can trace it back to the owner.

If you require some more in depth advice in regarding crime prevention feel free to email me.

## This week's conversation topic is speeding

As you are all aware, we are currently in the middle of an operation in relation to speeding drivers. We are issuing tickets, fines and banning drivers for exceeding the speed limit. Please consider others when driving!

I am asking you to message me via Facebook or email to send me any more concerns in regards to speeding.
