

## Meet your local PCSO

Hello! My name is Amy Mair and I cover Macclesfield South. I am here to answer any concerns or queries you might have.

## Parking Restrictions- schools!

**We are asking for your cooperation in making sure that children are safe when they go to school.**

Cars that are parked irresponsibly by those dropping off children are causing problems for other road users, residents and pedestrians who need to get to school. Traffic and parking issues during school times have been raised as a concern by parents, staff and residents.

We are working with schools in your area to stop irresponsible parking as we need to act now and work together to resolve the issue.

All road users need to be aware of and adhere to parking restrictions:

**NO parking on bends, NO parking on zigzag lines, DO NOT obstruct driveways, DO NOT park on double lines, DO NOT park on 'time restricted' single lines.**

## Hate Crime Prevention

Hate Crime involves any criminal offence which is perceived, by the victim or any other person, to be motivated by hostility or prejudice based on a personal characteristic.

A hate crime could happen for any number of reasons-

- Gender
- Religion
- Sexual Orientation
- Race
- Disability

Hate crime can appear in different forms-

- Name calling
- Harassment
- Discrimination
- Being made fun of
- Verbal/ Physical attack
- Personal items stolen
- Being bullied

When you report a hate crime, the police will look into what happened and what you say will be taken seriously. The police will support anyone who tells them about a hate crime and will do their best to make you feel safe.

Police officers and community PCSOs are always available if you want to discuss an issue in a police station.

Visit [www.cheshire.police.uk](http://www.cheshire.police.uk) for further information and support agencies that can help.

## Outdoor lighting- Burglaries

Good outdoor lighting can put off or draw attention to a burglar. The most appropriate form of lighting to use is high efficiency low energy lighting, controlled by a dusk to dawn switch so that it comes on only when it's dark. This provides a constant uniform level of light. It costs very little to run and helps to create a more reassuring environment. If you are going away- ask a trusted neighbor to look after the house, cancel regular deliveries such as milk, do not put your home address on luggage labels when travelling.

## This week's conversation topic is hate crime

Unfortunately, many people across the world are victims to hate crime. If you feel you have been a victim of hate crime contact the police immediately so we can support you in the best possible way.
